1. Introduction

Organisation Name

HER FOUNDATION

Organisation Type

Non-Profit Organisation (NPO)

Organisation Background

HER FOUNDATION is a lifestyle and sisterhood initiative for young women within St John's Apostolic Faith Mission Church & beyond. It was birthed out of growing need to intentionally support young women beyond spiritual gatherings alone- by encouraging holistic growth in faith, lifestyle, education, career, health and personal development.

Its focus on empowering young women spiritually and educational. HER FOUNDATION is committed to supporting vulnerable individuals and families within the church communities through various outreach programmes and charitable initiatives. The organisation works to create positive change by providing practical support, mentorship, empowerment opportunities, hosting sisterhood online meetings and essential resources to those in need.

The foundation believes in building confident, strong, empowered, and purpose-driven women while uplifting communities through compassion, service and sustainable development.

2. Project Overview

The organisation currently does not have a dedicated website, making it difficult for people to learn about its mission, programmes, and community impact and the purpose of this project is to design and develop a professional website for HER FOUNDATION.

The website will serve as a central online platform where visitors or sponsors can access information about the organisation, volunteer opportunities, donation initiatives, community projects, and upcoming events.

3. Problem Statement

HER FOUNDATION rely on social media platforms, church networks, and word-of-mouth communication to share information about its activities and programmes. While these channels provide small visibility, they limit the organisation's ability to reach a broader audience.

Without a dedicated website:

- The organisation lacks an online professional presence.
- Potential sponsors and donors cannot see or easily access information.
- Information about programmes and events are not centralised.
- Church community members may struggle to find reliable information about available support services.

A professional website will help to address these challenges and strengthen the organisation's ability to engage with people and sponsors.

4. Project Objectives

The main objectives of the website are to:

- Creating a professional and credible online presence.
 - Promote the mission, vision, and values of HER FOUNDATION.
 - Increase awareness of community outreach programmes.
 - Encourage donations and sponsorship opportunities.
 - Showcase success stories and organisational achievements.
 - Provide information about events and initiatives.
 - Improve communication with beneficiaries and supporters.
-

5. Target Audience

The website is intended for the following groups:

Primary Audience

- Young women within St John's Apostolic Faith Mission Church and outside church.
- Young women seeking mentorship and empowerment opportunities.
- Women and girls requiring support and guidance.
- Vulnerable individuals and families within communities.

Secondary Audience

- Donors and sponsors.
- Community and church community organisations.
- Church leaders and members.
- Businesses interested in community partnerships.

6. Services and Programmes

HER FOUNDATION offers programmes and initiatives that focus on empowering women and supporting communities, including:

- Lifestyle and personal development programmes.
- Faith-based mentorship and guidance.
- Educational support and career development initiatives.
- Health and wellness awareness programmes.
- Food parcel distribution.
- Clothing donation drives.
- Sanitary product distribution.
- Community outreach projects.
- Women's empowerment workshops.
- Family support initiatives.

7. Website Content

Home Page

- Welcome message.
- Overview of HER FOUNDATION.
- Mission and vision statement.
- Featured programmes and initiatives.
- Call-to-action buttons for donations and volunteering.

About Us

- Organisation history.
- Vision and mission.
- Core values.
- Leadership information.

Programmes & Services

- Lifestyle and sisterhood initiatives.
- Community outreach projects.
- Women's empowerment programmes.
- Donation campaigns.
- Educational and career development programmes.

Events

- Upcoming events and activities.
- Community outreach schedules.

Success Stories

- Testimonials from beneficiaries.
- Stories of positive community impact.

Gallery

- Images from outreach events and programmes.

Volunteer

- Volunteer opportunities.
- Volunteer registration form.

Donate

- Information on supporting the organisation.
- Donation enquiry form.

Contact Us

- Contact details.
- Social media links.
- Contact form.

8. Functional Requirements

The website will include:

- Responsive navigation menu.
- Contact form.
- Volunteer registration form.
- Donation enquiry form.
- Image gallery.
- Mobile-friendly design.
- Social media integration.
- Search engine optimisation (SEO).
- Event announcements section.

9. Website Structure (Sitemap)

Home

└─ About Us

└─ Programmes & Services

└─ Events

└─ Success Stories

└─ Gallery

└─ Volunteer

└─ Donate

└─ Contact Us

10. Technical Requirements

The website will be developed using the following:

- HTML5 for structure.
 - CSS3 for styling and responsive design.
 - JavaScript for interactivity.
 - Visual Studio Code as the development environment.
 - GitHub for version control and project management.
-

11. Benefits of the Website

The website will:

- Increase awareness of HER FOUNDATION and its mission.
- Provide a professional online presence.
- Improve communication with stakeholders.
- Attract more donors, sponsors, and volunteers.

- Promote community engagement.
 - Showcase organisational achievements and impact.
 - Support fundraising and partnership opportunities.
-

12. Justification for Selecting HER FOUNDATION

HER FOUNDATION was selected because it plays an important role in empowering young women and supporting vulnerable communities. Other than the valuable work it does, the organisation currently lacks a professional website.

Developing a website will help the organisation to expand its reach, improve communication, attract more supporters, and create greater awareness of its programmes and initiatives. The website will also provide a platform for sharing success stories, promoting events, and encouraging community involvement.

13. Conclusion

The proposed website for HER FOUNDATION will provide a modern, professional, and accessible online platform that reflects the organisation's mission of empowering women and transforming communities. Through improved visibility, communication, and engagement, the website will help HER FOUNDATION expand its impact and continue making a meaningful difference in the lives of young women, families, and communities and a world.
